City Council Staff Report

Subject: 2027 Draft Legislative Agenda Briefing

Author: Patrick A. Duhaney, City Manager

Department: Budget and Management Services

Date: November 6, 2026

Type of Item: Informational

Summary

At the November 10, 2026 City Council meeting, Brent McKenzie and Jessie Williams-Reynolds will provide a final briefing on the City's 2027 Draft Legislative Agenda.

Tuesday's briefing will reiterate the legislative agenda timeline and provide the City Council with dedicated time to discuss modifications to the agenda since it was first presented.

It will give City Council the ability to provide additional direction on any additional changes to the draft agenda prior to its adoption on November 17. As a reminder, the 2027 General Assembly session will begin on Wednesday, January 13, 2027, and runs for 46 days

An electronic version of the 2027 Draft Legislative Agenda is posted on the City's website for the public to review at https://budget.virginiabeach.gov/legislative-affairs.
