City Council Staff Report

Subject: Coastal Storm Risk Management Staff Overview

Author: Patrick A. Duhaney, City Manager

Department: Public Works & Budget and Management Services

Date: November 13, 2026

Type of Item: Informational

Summary

At the City Council workshop on November 17, 2026, following the presentation by the United States Army Corps of Engineers (USACE) Coastal Storm Risk Management (CSRM) Project, the Director of Public Works and the Director of Budget and Legislation will provide an overview of the project, outline upcoming milestones, and discuss the next steps the City will undertake in partnership with the USACE.

Should you have any additional questions or concerns please contact me, the Director of Public Works, LJ Hansen at LJHansen@vbgov.com or 757-385-8740, or the Director of Budget and Legislation, Kevin Chatellier at kchatell@vbgov.com, or 757-385-4112.
